EFFECTIVE DATE OF ACCEPTANCE:

I certify that I have read and understand the cancellation policy and the complaint procedure; I have received a copy of the school catalog or brochure; and I am entitled to an exact copy of this Enrollment Agreement, school catalog, and any other pages I sign.

CANCELLATION OF CLASSES:

The school reserves the right to cancel a starting class if the number of students enrolling is insufficient. Such a cancellation will be considered a rejection by the school and will entitle the student to a full refund of all money paid.

CANCELLATION AND REFUND POLICY:

1. The school must refund all monies paid if the applicant is not accepted. This includes instances where a starting class is cancelled by the school.
2. The school must refund all monies paid if the applicant cancels within five business days (excluding Sundays and holidays) after the day the contract is signed or an initial payment is made, as long as the applicant has not begun training.
3. The school may retain an established registration fee equal to ten percent of the total tuition cost, or one hundred dollars, whichever is less, if the applicant cancels past the fifth business day after signing the contract or making an initial payment. A registration fee is any fee charged by a school to process student applications and establish a student record system.

 - a. When the school receives notice of the student’s intention to discontinue the training program; or,
 - b. When the student is terminated for a violation of a published school policy which provides for termination; or,
 - c. When a student, without notice, fails to attend classes for thirty calendar days.
6. All refunds must be paid within thirty calendar days of the student’s official termination date.

CANCELLATION OF CONTRACT:

If you have not started training, you may cancel this contract by submitting written notice of such cancellation to the school at its address shown on the contract. The notice must be postmarked no later than midnight of the fifth business day (excluding Sundays and holidays) following your signing this contract; the written notice may also be personally or otherwise delivered to the school within that time. In event of dispute over timely notice, the burden to prove service rests on the applicant.

UNFAIR BUSINESS PRACTICES:

It is an unfair business practice for the school to sell, discount, or otherwise transfer this contract or promissory note without the signed written consent of the student or his/her financial sponsors if he/she is a minor, and a written statement notifying all parties that the cancellation and refund policy continues to apply.

HOW TO FILE A COMPLAINT

Washington law requires private vocational schools to inform students how to file a complaint. By signing this form you acknowledge this process has been explained to you. Below are the next steps the school must take in discussing this policy with you, along with information about the complaint process.

DISCUSSION ABOUT COMPLAINT POLICY REQUIRED

First, a school representative must discuss the school's complaint policy with you. Following this discussion, you will be provided with this attachment to sign. After you sign this form, the school will give you a copy for your personal records. The school will also keep a copy on file.

STUDENT GRIEVANCE-COMPLAINT/APPEAL PROCESS

Nothing in this policy prevents the student from contacting the Workforce Board (the state licensing agency) at 360-709-4600 at any time with a concern or a complaint.

Students who have a complaint or who would like to appeal a dismissal must request in writing an appointment for an interview with the school director. The written request should include the following information:

1. Student's full name and current address
2. A statement of the concern including dates, times, instructors, and if applicable, other students involved
3. Date of complaint letter and signature of the student
4. Three dates in which the student would be available for a meeting with the school director. These dates should be within 10 business days of the complaint.

The school director will notify the student in writing of the appointment date in which the concerns or appeal will be addressed. Every effort will be made to bring an amicable closure to the concern. Should it be necessary, a panel of instructors will hear the concerns and will be asked to assist in bringing a resolution to concerns and/or appeals.

The student will be notified in writing within five business days of the outcome of the meetings.

Should the contract be canceled by either the student or the school the last date of attendance will be used as the date to calculate any refund in accordance with the school's refund policy.

ACKNOWLEDGMENT OF COMPLAINT PROCESS BY STUDENT

- 4. The school has described the grievance and/or complaint policy to me.
- 5. I understand that the policy can also be found in the school catalog.
- 6. I know I should first try to resolve a complaint or concern with my instructor or school administrator.
